

JINGLE BELLS

Jingle Bells, Jingle Bells
Jingle all the way,
Oh what fun it is to be
In a never ending daaaay

Jingle Bells, Jingle Bells
Jingle all the way,
Oh what fun it is to be
In a never ending daaaay

Dashing to the school
In a crowded bus of kids
I am not a fool
Showing them my wits
Pencil in my hands
Writing tough exams
Oh what fun is to write and think
About my future plans

Jingle Bells, Jingle Bells
Jingle all the way,
Oh what fun it is to be
In a never ending daaaay

A day or two ago
This story I must tell
I went into the snow
And on my back I fell
A kid was laughing loud
And I am laughing now
And then he made me proud
and quickly helped me up.

Jingle Bells, Jingle Bells
Jingle all the way,
Oh what fun it is to be
In a never ending daaaay
